

Digital & Alt. Photography Supply List

Lab Fee: \$25 *Covers the cost of photo paper, inks, matt-board and any supply you will be using through the remainder of the course.*

You can pay by cash or make a check out to OHHS.

However, here is the short list of items you will need to possess in order to complete all assignments successfully.

- 1. **Folder or a Binder (1*)** to store handouts in; students are responsible for their own organization.*
- 2. **Digital Camera with 6 or more mega pixels.** –I prefer Canon or Nikon---No, your iPhone/SmartPhone doesn't count as a camera! ;)*
- 3. At least a **2 GB Flash Drive**– for storing and transferring images onto your laptop computer*
- 4. **Mouse/Mouse Pad (highly recommended, but not mandatory)**– when working in Photoshop, it's easier to navigate and work in that program if you're using a Mouse, rather than the track pad on the laptop*
- 4. **1 Roll of Paper Towels**– working with alternative processes and chemicals. (A-J)*
- 5. **Box of Kleenex (K-Z)***
- 6. **Ear buds and/or head phones***
